REPORT

OF THE

SECRETARY OF THE TREASURY,

OF THE

ESTIMATES OF APPROPRIATIONS

NECESSARY

FOR THE SERVICE OF THE YEAR 1827.

JANUARY 4, 1827.

Referred to the Committee of Ways and Means.

WASHINGTON :

PRINTED BY GALES & SEATON.

TREASURY DEPARTMENT,

January 4, 1827.

SIR: I have the honor to transmit, for the information of the House of Representatives, an Estimate of the Appropriations proposed for the service of the year 1827, amounting to \$10,283,929 13.

Viz :

| | | | | | | | |
|---|---|---|---|---|---|-------------|----|
| Civil List, | - | - | - | - | - | \$1,263,394 | 54 |
| Miscellaneous, | - | - | - | - | - | 302,155 | |
| Foreign Intercourse, | - | - | - | - | - | 261,000 | |
| Expenses of the Army, including the Military Academy, | - | - | - | - | - | 2,081,255 | 36 |
| Fortifications, Armories, Arsenal, and Ordnance, &c. | - | - | - | - | - | 1,171,400 | |

| Internal Improvements, | - | - | - | - | - | 202,000 | |
| Naval Establishment, including the Marine Corps, | - | - | - | - | - | 3,230,260 | 23 |

To the estimate are annexed two statements, prepared in obedience to the "Act in addition to the several acts for the establishment and regulation of the Treasury, War, and Navy Departments," shewing, first, the appropriations for the service of the year 1827, which have been made by former acts, viz : for arming and equipping the militia, public debt, civilization of the Indians, and treaties with Indian tribes, amounting to \$10,419,025 ; second, balances of appropriations unsatisfied, made previous to the year 1827, and which will be required for the objects for which they were severally made, amounting to \$3,964,452 46. This aggregate of the unsatisfied appropriations differs \$539,452 46, from the amount presented in the report of this Department on the state of the Finances, transmitted on the 12th December, 1826, which is accounted for by the expenditures for the fourth quarter of 1826 being less by the same sum.

I have the honor to remain, very respectfully, your obedient servant,

RICHARD RUSH.

The Hon. the SPEAKER
of the House of Representatives.

Extract from a letter accompanying the above estimates, from the Director of the Mint.

“Compared with the estimates of the past and previous years, the present will be found considerably to exceed them in amount. This arises from the necessity of renewing some expensive parts of the machinery, and making provision in other respects to meet a heavier demand for coinage than has heretofore been experienced. That such a demand will occur during the ensuing year, is probable from the recent increase of deposits, and the opinion of those possessing the best means of information on the subject.”
